### School Update

Term 3 has been a busy time across all year groups.

Foundation Stage have enjoyed retelling the story of the Little Red Hen before making up their own version. We hope you've enjoyed them at home!

Year 1 have been incredibly busy acting and learning their lines for their school play. They are looking forward to performing next week to a real audience!

In Year 2, they have been learning about continents and oceans to help them plot journeys. Using this, the children have written some amazing stories!

Recently, Year 3 were transported back into the past to become Romans. We were amazed at the costumes and props. Thanks for your help as the children had a great day!

Year 4 have been studying why people have moved to Swindon over time. Today they are visiting Steam and will be taking part in a series of workshops.

Year 5 have thoroughly enjoyed learning 'The Highwayman' poem which they have used to write prequel stories and reports. The children have really got into the emotion of the piece and used this to great effect.

In Year 6, the children have been researching Martin Luther King and investigating how electrical circuits can be altered to change the brightness of a lamp.

### Parking in the streets around the school

The school enjoys a good relationship with our neighbours but occasionally issues are brought to our attention. Please can we remind you that the streets around the school are residential.

Please park considerately (and legally!) so that residents vehicles are not blocked in and pavements are kept clear. Please reduce speed in the vicinity of the school especially during the start and end of the school day.

We appreciate your co-operation.
