Year 2 - Term 2
Homework Activities
Class 5 & 6

Date set:

Friday 6th November 2026

Date due:

Friday 11th December 2026

Reading

This term, pupils will be split into two groups so that they can be provided with targeted support in their reading.

Group 1 will continue reading the phonically decodable Little Wandle books. These will be changed by an adult every Friday.

Group 2 will be bringing home books to support their comprehension skills. These can be changed independently whenever they have been read.

Reading should be recorded with the date and a comment/signature from an adult in your child's yellow reading record. Please ensure reading books and reading records are in school **every day**.

Spellings

Each child has brought their spellings home to practise for their quiz every **Friday**.

If these happen to be misplaced, you can find a copy on the classroom window or alternatively, you can ask your child's teacher for a new copy.

Mathematics

Inside your child's reading record, there is now a username and password to help them access **Times Table Rockstars**.

Once logged on, all children will begin practising their 10x, 2x and 5x table to collect as main coins as they can. Here is the link below to get you logged on:

https://ttrockstars.com

Purple Mash

As part of our topic work, we will be learning about the town of Swindon and what is "On Our Doorstep". This is our first geography focused topic where we learn about our local area.

All children have their Purple Mash log in details in their yellow reading records to help them access their homework activities online. Once logged in, click on 2Do to find the tasks below:

Street Senses: Stand on your doorstep and think about what you can see, smell and hear. Write down your experiences in full sentences and include expanded noun phrases to add detail to your ideas.

Window: Draw a picture of what you can see from a window in your home.

Micro-habitats Pictogram: With an adult, count the minibeasts in your garden or at the park to help you create a pictogram. Which is the most and least popular bug?

UK Countries/UK Capital Cities: Match the labels to the correct areas on each map.
