Roll and Draw Plant Game

Year 3 Homework Due in Friday 29th June 2018

To play this game you will need a 1 - 6 dice, a pencil and paper and a friend or family member to play with.

All plants are made up of different parts - roots, the stem, leaves and flowers.

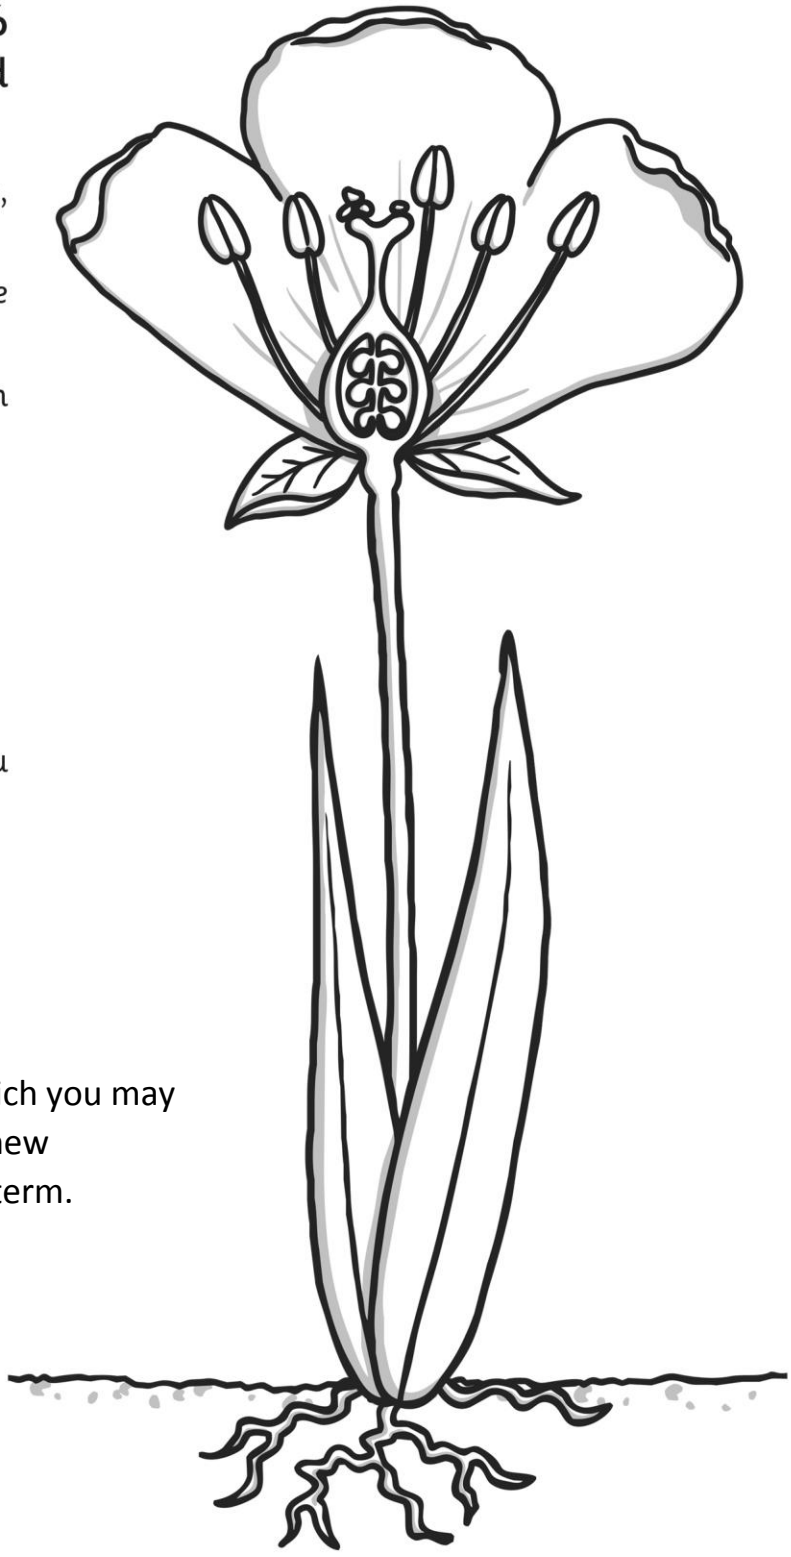
The aim of this game is to draw a complete plant by rolling the dice.

You can draw a different part of your plant each time you roll a number:

- 1 = the roots
- 2 = the stem
- 3 = the leaves
- 4 = the petals
- 5 = the stamens
- 6 = the style and the stigma

If you roll a number you have already had, you should miss a turn.

Who will be first to draw a complete plant?!



TASK 2

Complete the word search and find out the meaning/definition of any of the words which you may not understand. We will be discussing the new vocabulary during our Science lessons this term.
