### Welcome back to 2018 !

We hope you all had a lovely break and are now looking forward to the start of 2018.

It is great to see that the children have come back showing a fantastic attitude to their work.

If you look at the school website next week all year groups will have updated curriculum maps to show you the term ahead.

Our school meals now need to be ordered via School Gateway. We hope you are finding the new system more user friendly. If you have any queries please see the office staff.

### Christmas Fayre

Thanks to all who attended the Christmas Fayre.

Not only was it a fun afternoon, the PTA raised £1054 for the school. Thank you

In the news recently there have been some discussion about childrens' use of social media.

We cover many aspects at school such as safe passwords, not sharing personal information and reporting concerns to an adult.

Further information is included on the school website in the links section.

### Reading in the Year 2018

New Year is a great time to get into new habits. It has been impressive to see how many children are now reading five times a week.

Our target now is to see if we can keep building on this success by increasing this number further. Remember reads include a range of texts such as school books, magazines, newspapers, poetry and non-fiction books. Thanks for your support.
