Jojo bows

Jojo bows are proving very popular. However, they get broken quite easily.

As they are quite expensive, please can we ask that you save wearing them for weekends/evenings instead of at school.

Thank you

Messy Church

We will be meeting on Sunday 19th March from 3.30pm - 5.30pm at King William Street School, Old Town.

Do come and join us to hear about another Old Testament superhero, Joshua, and the Battle of Jericho.

There will be fun, crafts and, of course, a delicious afternoon tea.

RLK's Reading Challenge

We have created a recommended reading list for each year group. By reading these books or sharing with an adult we hope each child can experience a wealth of adventures and new vocabulary. Within school we will be encouraging children to read as many of these as possible. Each list will be available on our school website. Thank you for your help and happy reading!

Red Noses are on sale in the school office for £1.

Piano and flute lessons in school

I would like to introduce myself as I have been working in the school since last term teaching piano lessons. I work via the Swindon Music Co-operative and now teach 3 pupils. We have our lessons on a Thursday morning each week. I hope you will get to hear some of the present piano students play in school performances in the summer.

I am able to start more pupils now, and can also offer flute. Learning a musical instrument is not only wonderful in itself, but can also develop many other skills that help in all areas of life. If you would like your child to learn please ask at the office, and they will give you a form for the Swindon Music Co-operative, where you pay via them for classes from 15 minutes to half an hour. Please also feel free to contact me by leaving a message at the office with contact details and I will get back to you.
