Newsletter Date — 13th January 2017

Parents' Evening

Our new Parents' evening online booking system went live on Wednesday 25th January. You will have received a notification from Parentmail informing you that it is available to view/book session(s).

Please follow the instructions from Parentmail. You can still only book one slot per child and the time allocated is the same as it has always been. If parents/carers require separate appointments, please contact the office on 01793 523119 and they can schedule a manual appointment.

For those classes who have Teachers who job share, please note that the Teacher named on the online booking system is not necessarily to Teacher you will see. It could be either of the job share Teachers or even both of the job share Teachers. Parentmail only allows one Teacher to be named.

Letters Sent Home

Please note—you can obtain a copy of any letters by contacting the office.

We have been notified of an event (a scratch programming challenge) being held by a company called CSC. This event is for children aged 10 to 13 globally and the full details can be seen on the following CSC website link

https://www.csc.com/uk/events/139039-csc_codes_a_global_coding_challenge

Cake Sale

This Friday, two Year 9 students from Commonweal will be having a bake sale at Robert Le Kyng. This event will take place after school in the playground.

They are raising money to go towards the charities for Romania at People against Poverty. This event is part of the c30 scholar programme at Commonweal. They have been given £11 and 11 days to raise as much money as possible.

REMINDERS

Please can we remind all parents/carers that children should be supervised at all times when they are in the playground after school.

There was an accident on Wednesday afternoon involving a small child where they were knocked over and injured.

Please can you also ensure that children do not ride bicycles/scooters in the playground.

Safer Internet Day 2017

Tuesday
7 February

Be the change: Unite for a better internet

www.saferinternetday.org.uk

More information regarding Safer Internet Day will be sent home soon.

In the meantime, why not check out their website.
