Admin Staff changes

Over the past few months there have been a few changes in staffing in the office.

Debbie Parmar is our new School Business Manager.

Mary Luu is now our Finance Officer.

Lise Daghish is our new Clerical Assistant in the Office.

Sunshine

With the warmer weather now coming we have talked about being safe in the sun. Please can the children bring a water bottle each day and a suitable hat. It can be a good idea to apply suntan lotion before school.

Reading

We are really impressed with the progress everyone is making to support our reading challenge. In the summer we will be holding our reading breakfast so look out for details soon.

Letters Sent Home
