If you live inside the Five Minute Zone you could walk or cycle to and from school every day. Even if you need the car to travel to work, it may be quicker and easier to leave it parked at home while you do the school run.

If you live just outside the Zone, try walking or cycling – it could be quicker than you think!

If you have to travel by car to school, please try to park outside the walking zone, with care and consideration for local residents, and walk the rest of the way.

Pupils from the school have helped to develop this project and have walked the routes to prove that it only takes five minutes!
