

English

We will be planning and writing our own non chronological reports linked to our topic this term 'Where in the World?' In order to do this, we will be researching facts about different continents as well as animals that live there. Year 2 will write a question poem about a chosen animal, helping us to learn the four different sentence types. We will then be writing a five-part story based around 'Lost and Found' by Oliver Jefferies

History

The children will be finding out about explorers such as Robert Scott. Why is he important? What did he do? Where did he go? What happened? What

Maths

This term we will be looking at dividing and building upon our times table knowledge. As well as this we will focus on statistics looking at tally charts, pictograms, block graphs and interpreting the data that these show. You can support your child with this by using 2Count and 2Graph on Purple Mash.

Year 2

Mrs Barnard & Miss Talbot

Term 3 Jan & Feb 2018

Where in the World?

Computing

This term we will cover programming, multimedia, technology in our lives, e-Safety and handling data. This term we will be researching animals using a search engine and programming a floor robot to use in a treasure hunt
