

Learning Logs

This year, we are introducing learning logs across the school. These are the books where children will record the tasks that they do at home. During last week, all children have been introduced to the books and shown some good examples.

For your information, included in the front of the book is a copy of the school homework policy.

Your first challenge!

Please can you take this week to decorate the cover of your book so that we can learn more about you! You might like to:

- Use pictures or stickers of things that you like to make a collage;
- Use photographs of people and times that are special to you;
- Use wrapping paper, wallpaper or coloured paper;
- Draw pictures on white paper on a topic of your choice.

Please can covered books be back by Monday 22nd September.

Remember - this book will last with you during the year so it is important you do your best!
