

Boys Writing

The boys in year 5 have been on a trip to the Commonweal School to meet Andrew Cope, the author of the popular book series 'Spy Dogs'. After learning about the importance of reading and how we can encourage our creativity; the boys had the opportunity to become authors themselves and write a story alongside Andrew, using some tricky story prompts!

There were so many fantastic stories written by year 5. Andrew enjoyed them so much that he even awarded signed copies of his book to some of the boys!

Keep your eyes out around the school for some exciting writing put on display from the year 5 boys.
