### Governor Update

The Governing Board met at the end of January for the third meeting of the school year. The main topic on the agenda, along with a general update from the Head teacher, was an update from link Governors on each of the areas included within the School Improvement Plan (SIP). These updates ensure that the Governing Body can monitor progress and provide feedback on each of the SIP areas. Link Governors will provide a further update to the full Governing Body later in the school year.

If you would like more information a summary of the SIP and a full list of RLK Governors is given on the school website. The next Governing Board Meeting takes place in March.

We currently have a vacancy for Clerk to Governors. This is a paid position (albeit only 133 hours over the year). The role includes: minuting meetings and co-ordinating the Governors' diary and agendas, as well as keeping up to date with policy and Government changes. Please have a chat with Mrs Smith or myself if you would be interested in this role.

Katie Kerley,  
Chair of Governors

### Use of school grounds after school

With the nicer weather approaching, fingers crossed, it is lovely to see children wanting to play outside.

Please can we remind everyone that if children are staying after school on site they should be closely supervised by an adult and follow the school behaviour expectations.

Thank you for your support.
