

English

In English, we are really focussing on spellings and punctuation. We are looking at the story 'The Tin Forest', and will be writing setting and character descriptions as well as a new version of the story. Then we will move on to non-fiction writing such as persuasive writing and explanations. The children will be developing their editing skills so that we can go back into a piece of

Online learning

Mathletics, Spellodrome and Purple Mash have been updated to include activities to

Computing

There are 5 areas of computing: programming, multimedia, technology in our lives, e-safety and handling data. This term we will be thinking about if everything we read on the internet is

Music

We will be using the Charanga scheme to learn the friendship song and will also be listening to a range of pop songs based on

P.E.

This term Mr Barnett will be focusing on cricket skills, gymnastics and dance.

Reading Challenge

We would like the children to continue to read 5 times a week from a range of quality texts. Don't forget you can borrow from our class box of

Maths

Our year group target this term is to count in multiples of 2's, 5's and 10's and to be able to link this to known division facts. We will then be using this to find doubles and halves.

Eg: $20 = ? \times ?$ During this term we will be consolidating all aspects of maths that we have introduced this year. In particular we will using this apply our known facts to solve problems and

Science

In Science, the children are looking at plants. We will investigate what plants need to grow, measuring plant growth, the

P.S.H.E.

Our theme is **Relationships**. We will be talking about all different sorts of family groups we live in, keeping safe (exploring physical contact), friends & conflict

R.E.

The children will be learning about Islam in RE.
