

**Spellings:** Each child now has spellings to learn every week. Children have been grouped into either Ruby, Amber or Diamond groups. It is expected that they will learn all spellings in their group, but can have a go at more challenging ones if they want to.

### **Reading:**

We have an expectation that children will read **five** times a week, usually with an adult. Adults need to initial or sign the reading record each time this happens.

## **Class 9 and 10 Homework**

**Date Due: 22/6/2017**

### **Times tables:**

To be ready for year 5 the children should know all of their multiplication and division facts up to 12x12 and be able to recall these in less than 6 seconds. Please continue to practice.

### **Task 1:**

Design and make 3 rainforest top trump cards. They can be animals or plants. You need to think of 5 categories for each card e.g. speed, camouflage, size etc. Make sure they have a picture either drawn or printed out and the name of the living thing at the top.

### **Task 2:**

As our new science topic is sound, we would like you to write down which room in your house is the noisiest and why? Make a list of all the things that contribute to the noise level in that room & draw a picture with labels.
