

Robert Le Kyng Primary School

Newsletter Date –14th September 2018

Dear Parents,

Welcome back!

We have been very impressed with the children as they start in their new classes. They look very smart in their uniforms and have come back to school ready to learn. I have also been very impressed at how promptly the children are arriving in the mornings - let's see if we can keep this up once the mornings get colder and darker!

As some of you may have noticed, we have some new members of staff in the school. Our new Reception teacher Mrs Loveday is working alongside Mrs Green with Mrs Green taking over leadership of the Foundation Stage. In Key Stage 2, we have two new teachers: Miss Royal is working in class 7 with Year 3 and Mrs Sutton is in class 11 with Year 5. They are all settling in very well, but do give them a smile when you see them.

As always, just a few reminders at the start of term:

- Please remember that if you are staying after school to use the play equipment that we expect the same high level of behaviour we have in the daytime. Children should stay in your sight (not in the bushes or over on the field) and we would ask that they do not ride around on bikes or scooters. The toilets are now closed after school due to damage caused last year. Please also keep some space between yourselves and any clubs running outside so that we can easily tell who is at the club. No child should stay on-site without an adult directly supervising them.
- Please make sure that all uniform is labelled with your child's name. We already have a pile of lost property developing - some of it clearly brand new.
- Don't forget those five reads a week - they really do make a massive difference to the fluency of children's reading.

I am looking forward to another successful year at Robert Le Kyng.

Mrs Smith

STEM Returners programme running in Bristol with Atkins

Have you taken a career break from an engineering or a technical sector and wish to return? Are you working below your experience in a different sector? Do you have an engineering or technical degree that you aren't using? Do you just wish to transfer sectors but don't have any experience? If so this could be the opportunity for you! We are currently sourcing candidates for the Atkins STEM Returners programme, a 13 week, fully paid and supported return to work programme starting in November in Bristol. All candidates will also have the opportunity to obtain a permanent role at the end of the programme. We are also attending the Atkins South West Recruitment Event which is on:

Wednesday 19th September 2018

Novotel Bristol Centre

Victoria Street

Bristol

BS1 6HY

1-7pm

Please come along and meet us to discuss your return to a STEM career, children are very welcome to attend as well. If you are interested in Atkins, but not able to attend, please still register as you can still be considered for the programme. No career break is too long, register to return to STEM today! For more information please visit

www.stemreturners.com or

email hello@stemreturners.com.
