## Our Harvest collection this year is to be a 'Harvest of Socks'

Our Harvest this year is to be a bit different to normal.

During my visit to Kenya last October I worked in two primary schools 'Silver Bells' and 'Melon Mission'. One thing amongst many was that the children looked like they were wearing socks but when they took their shoes off it was just a band around their ankle or no socks/shoes at all.

While I was there, I decided that a sock collection would be quite an easy thing to organise and relatively inexpensive to get them out to Kenya.

The socks will go out to Kenya in November with the members of the Younique Travel Adventures, a charity that supports the two primary schools.

So, our harvest this year will be 'A Harvest of Socks'.

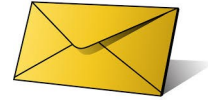

Please could your child/children bring in a pair/pairs of clean or new socks (no holes please) to school by Wednesday 17th October.

Many thanks

Sarah Leighfield

## Value

Our value this term is "Teamwork".

By working as a team, we develop friendships and often achieve more than we could by ourselves. Teams allow us to share skills and knowledge so we can learn together.

We are really impressed with how many people are already getting into the swing of reading 5 times a week. Remember reading can be your reading library book, a magazine or newspaper. Keep it up and let's see which classes can get 100% for 5 reads a week.

### Year 5 Sleepovers

Both Year 5 classes have had their sleepovers in the school hall. Both were great fun and we even managed some decent sleep this year !

Thanks to all the staff that gave their time to help.

Mr Barnett

### Beat the Street

Well done to all who have had a go at Beat the Street. Compared to North Swindon we have fewer lampposts but I know lots of families have had some fun and extra exercise. Thanks all and lets keep walking, cycling, scooting.
