HELP US KEEP COSTS DOWN

As a school, we strive to offer a variety of visits, trips and after school clubs which give pupils the opportunity to share in a broad range of experiences.

We aim to do this as cost-effectively as possible however, an increasing amount of the office staff's time is now being taken up in following up late payments or permission slips. This can also result in calls to parents at their workplace which, we appreciate, is not always convenient.

Please can we ask all parents to respond to school letters promptly to help keep costs down for everyone.

If you are experiencing difficulties paying for any activities, please speak to office staff who may be able to give you further advice.

Thank you for your support.
