

English

We will be exploring lots of different genres based on a text written by Alexis Deacon, based on this text we will be writing a diary entry, setting descriptions and emotive letters. This will lead onto researching animals that live in hot or cold countries and writing reports. We will also continue to develop our year 2 writing techniques e.g. commas in a list, different sentence types and possessive apostrophes.

Design Technology

We will be designing and making a blanket for Beegu based on our English by looking at suitable materials, textures and colours. This may continue into term 4.

Maths

This term we will be revisiting different methods to solve addition and subtraction problems. We will also be solving multiplication and division number problems and word problems using the bar model method. We will be exploring 3D shapes by looking at their properties of faces, vertices and edges. We will be linking the properties to 2D shapes.

In arithmetic we will be partitioning 2 digit numbers in different ways and rounding to add and subtract near multiples of 10.

Year 2

Mrs Harris & Miss Kingsbury

Term 3 Jan & Feb 2019

Where in the World?

Computing

There are 5 areas of computing: programming, multimedia, technology in our lives, e-Safety and handling data. This term we will be using the computers and learning how to use excel including inserting text as well as saving our work.

Science

This term we will be looking at living things and their habitats. We will be looking at different habitats and investigating what animals live there. Then we will be drawing a pictogram from this investigation.

P.S.H.E.

We will be thinking about dreams and goals and what steps they need to take to achieve them. This work includes the importance of perseverance and working with other people.

Music

The focus this term will be learning the songs to 'I want to play in a band.' We will be exploring different instruments to this song. We will continue to develop our knowledge of different music genres.

P.E.

This term Mr Barnett will be focusing on hockey skills. Our class focus will be gymnastics.

Whole school

Our whole school value this term is Responsibility

R.E.

We will be learning about Islam and why Muslims pray 5 times a day. The children will think about a goal they will commit to.

Geography

In Geography we will be comparing and naming continents and oceans as well as finding out where the equator is and looking at the physical features of hot and cold countries.

Enrichment - Visitors in, Visits out, whole school events

Parents evening - 12th and 13th February 2019
