

**Spellings**: Each child now has spellings to learn every week. Children have been grouped into either Ruby, Amber or Diamond groups. It is expected that they will learn all spellings in their group, but can have a go at more challenging ones if they want to.

### **Reading:**

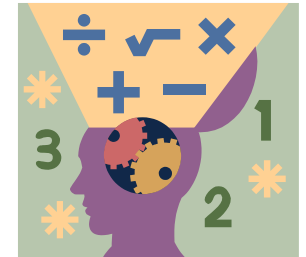

We have an expectation that children will read **five** times a week, usually with an adult. Adults need to initial or sign the reading record each time this happens.

## **Class 9 and 10 Homework**

**Date Due: 03/05/19**

### **Times tables:**

As the expectation is that all children will know all of their times tables by the end of Year 4, this term we will be practising all of the times tables, including multiplication and division facts. Practise them as often as possible.

### **Task 1:**

**This term our topic is 'Blue Planet'. We are currently focussing on the effects of plastic pollution on marine life and the environment. We would like the children to:**

- **Keep a plastic diary for a week;**
- **Bring some cleaned out plastic packaging AND a small piece of neatly written research for a classroom display about the harmful effects of plastic on our oceans. The research could include different facts and figures, as well as ways we can all help take action etc.;**
