

English

In English, we are looking at the story 'The Tin Forest' by Helen Ward, and will be writing setting and character descriptions as well as a new version of the story. Then we will move on to non-fiction writing such as persuasive writing and explanations. The children will be developing their editing skills so that we can go back into a piece of work and make key changes. As well as

Online learning

Mathletics, Spellodrome and Purple Mash have been updated to include activities to

Computing

There are 5 areas of computing: programming, multimedia, technology in our lives, e-safety and handling data. This term we will be thinking about if everything we read on the internet is

Music

We will be using the Charanga scheme to learn the friendship song and will also be listening to a range of pop songs based on

P.E.

This term Mr Barnett will be focusing on cricket skills, gymnastics and dance. We will begin to prepare

Reading Challenge

We would like the children to continue to read 5 times a week from a range of quality texts. Don't forget if you read one of your SATs revision

Maths

This term we will be revisiting learning from the previous terms to consolidate skills. We will be investigating the commutativity between number facts in multiplication and division. As well as this we will be investigating addition and subtraction including money. In Arithmetic we will continue to investigate partitioning as well as moving onto finding the difference between numbers and solving division problems. We will continue to do our Times Table Rock Star texts three times a week and will embed these skills in our arithmetic lessons.

Year 2
