

Maths

The children have made big improvements in Term 1 with their Times tables. Please continue to practice at home. Their Times Table Rockstar logins should be in the back of their reading records.

Reading

Both classes won the reading trophy last term, so please keep up the reading 5 times a week 😊 Please be aware that for half term we will be counting ten reads due to the 2 weeks not counted.

Year 2 - Term 1
Homework Activities
Class 5 & 6

Date set:

Friday 18th October

Date due:

Friday 15th November

Don't forget to take a look at the Robert le Kyng website and newsletters to keep updated.

www.robertlekyng.co.uk

(Classes tab - year 2)

You will find:

- Term 2 spellings
- Homework

Topic

As part of our topic work, we will be learning about The Great Fire of London. In order for the children to be excited and engaged with the new topic, their homework will be based around it.

Task 1: Using a shoe or cereal box, make a Tudor house. These will be put on our class displays.

This is only an example it does not have to look like this exactly.

Task 2: Maths subtracting sheet.
