

English

We will be exploring many different genres based on a text written by Alexis Deacon, based on this text we will be writing a diary entry, setting descriptions and emotive letters. This will lead onto a book comparison later in the term. We will also continue to develop our year 2 writing techniques e.g. commas in a list, different sentence types and possessive apostrophes.

Design Technology

We will be designing and making a Beegu toy based on our English by looking at suitable materials, textures and colours. This may continue into term 4.

Maths

This term we will be recapping multiplication and division as well as moving on to fractions. We will be investigating unit and non-unit fraction of shapes and number. Later in the term, we will start to tell the time including o'clock, half past, quarter to, quarter past and 5-minute intervals. It would be useful if children could practice telling the time at home too. In arithmetic, we will be partitioning 2 digit numbers in different ways and rounding to add and subtract near multiples of 10.

Year 2

Mrs Harris & Miss Carter

Term 3 Jan & Feb 2020

Where in the World?

Computing

There are 5 areas of computing: programming, multimedia, technology in our lives, e-Safety and handling data. This term we will be using the computers and continuing to develop our spreadsheet skills including building basic formula.

Science

This term we will be looking at living things and their habitats. We will be looking at different habitats and investigating what animals live there. Then we will be drawing a pictogram from this investigation.

P.S.H.E.

We will be thinking about dreams and goals and what steps they need to take to achieve them. This work includes the importance of perseverance and working with other people.

Music

The focus this term will be learning the songs to 'I want to play in a band.' We will be exploring different instruments to this song. We will continue to develop our knowledge of different music genres.

P.E.

This term Mr Barnett will be focusing on hockey skills. Our class focus will be gymnastics.

Whole school

Our whole school value this term is Enthusiasm

R.E.

We will be learning about Islam and why Muslims pray 5 times a day. The children will think about a goal they will commit to.

Geography

In Geography we will be comparing and naming continents and oceans as well as finding out where the equator is and looking at the physical features of hot and cold countries.

Enrichment - Visitors in, Visits out, whole school events
