

Spellings: The term's spellings are on the school website as well as Year 1 and 2 common exception words.

Children should be practising these regularly, including writing these words into sentences or making word searches.

Times tables:

Children should practise their 3, 4 and 8 tables and matching division facts. Remember to log in and play on Times Tables Rock Stars!

Reading:

We have an expectation that children will read **five** times a week, usually with an adult. Adults need to initial or sign the reading record each time this happens. We are sending extra books home to cover the time your children are at home.

Year 3

Extra learning

Please collect empty food packets and begin to look at the nutritional information on the back as we will be analysing these in future lessons.

This is in addition to this term's homework which is stuck in your books and on the school website.

Purple Mash

We have set activities on Purple Mash for children to complete during their time at home. The children can find these under '2Do' when they log in. They can also submit their work when complete. The children can also:

- Research and write about Wassily Kandinsky.
- Create a fact file about the human skeleton
- Food sorting games
- Practise identifying coins and adding money.
- Practise touch typing.
