

Class 9 and 10 Homework

Here is a list of helpful online learning resources that support the areas of learning that we have been working on (or will be working on soon) in school:

Practice putting numbers on the number line - Move the flag to the correct place to collect points! <https://mathsframe.co.uk/en/resources/resource/37/placing-numbers-on-a-number-line>

Addition, subtraction, multiplication and division—Control your alien insect to knock over the correct operation, in order to solve the calculation and save the day! <https://www.topmarks.co.uk/Flash.aspx?a=activity10>

Punctuating with commas—Find out how to use commas to punctuate sentences in different ways, using this video and quiz <https://www.bbc.co.uk/bitesize/topics/zvwwxnb/articles/zc773k7>

Reading:

Reading is always encouraged and the children should be ensuring that they read at least 5 times a week. This may include, reading: novels, comics or non-fiction books.

The ancient Egyptians - This website is packed with videos and quizzes to help you find out more about the ancient Egyptians <https://www.bbc.co.uk/bitesize/topics/zg87xnb>

Plastics and sustainability - Find out about sustainability and plastics with these interesting and informative videos and facts - <https://www.bbc.co.uk/bitesize/topics/zshp34j/articles/z6m7vk7>

Times tables:

Children should practise their tables as often as possible and remember to log in and play on Times Tables Rock Stars!
