

Maths

In school we will be following the White Rose videos and worksheets which we have set for home learning so far. These are available for you to download from the school website.

This week we are looking at fractions—halves and quarters.

English

We have an expectation that children will read **five** times a week, with an adult. Adults need to initial or sign the reading record each time this happens. The children are also encouraged to read their own books/comics etc during this time.

In school, we will be basing our work around the book 'Fabulous Frogs' and the rhyming book 'Oi Frog!'

- Choose one of the frogs in the Fabulous Frogs book. Draw it and add descriptive labels.
- Choose one of the named frogs in Fabulous Frogs and research that frog. Use sentences to record what you have learned.
- Make a list of the different animals and what they sit on in Oi Frog! Can you think of some of your own rhyming ideas to add to your list?

Spellings

This week we will be practising spelling plurals where you add 'es' such as foxes, glasses, washes

Phonics

In school this week we will be revising the following sounds;

ph, ew, oe, au, ey

Year 1 Home school work

Week beginning

6th July

'Fabulous Frogs'

'Oi Frog!'

Amphibians

This term

Our topic is all about animals, what they eat and how they are classified. We will be giving you ideas on how to do this at home. This week we will be looking at amphibians.

Purple Mash (set as 2do)

- Research the Buddhist festival of Wesak and write some information.
- Draw your own frog
- Play Fraction Pizzas!
- Make your own fairy tale—coding with the princess and the frog

Other activities

- Science—research and illustrate the life cycle of a frog
- Science—think back to all the animal groups we have learnt. Can you think of some for each group? Could you draw and label a picture for each group?
- Art—research poison dart frogs. Choose your favourite pattern and copy it
- PE—have a go at this yoga session https://www.youtube.com/watch?v=TY8xx7c6_z0
