Primary PE Sports Grant Report

2020-2021

Primary PE Sports Grant (PPSG) Awarded	
Total number of pupils on roll	416
Total amount of PPSG received	£20160

Objectives of spending PPSG
To continue to improve the provision of PE, Sport and the Adventurous Curriculum at RLK delivered by the specialist PE teacher
To continue the range of quality extra-curricular PE opportunities so that participation is maintained and Platinum Award criteria continued
Specialist teacher to assist other teachers with their planning and delivery of PE in lessons
SSP Bronze Package to enter and access festivals and competitions and fund the entering of boys and girls football in Swindon Schools Football Package
Promote PE activities accessed by the physically impaired children in the Snug and enter competitions
Purchase appropriate equipment to support lessons and after-school clubs
Increase the amount of Pupil Premium children attending clubs
Invite every Year 6 child to attend at least one free club and for every Year 6 child to represent the school at a sporting event on several occasions

Record of PPSG spending by item/project		
Item/Project	Cost	Objective
Sports Specialist	£11865	<p>Teachers to work with specialist PE teacher to up-skill their planning and delivery of PE</p> <p>Specialist to teach and organise wide range of extra-curricular clubs</p> <p>Specialist to organise and deliver adventurous curriculum from Reception to Year 6</p> <p>RLK to enter every competition organised by the Swindon School Partnership for KS2 and KS1</p> <p>Specialist to organise festivals with other schools so percentage of children who represent the school rises.</p>

Mini bus costs	£2500	Mini bus to transport children to competitions and festivals
Staff cover for festivals	£2000	Cover for PE lead and support staff to transport children to competitions and festivals and provide correct supervision ratios

Impact of using PPSG 2019-20

All children access specialist PE teaching on a regular basis

All children in Reception to Y6 access outdoor learning activities

All children in Year 4 and 6 have the opportunity to attend a residential visit (very few children do not take up this opportunity). All children in year 5 have the opportunity to “camp out” at school and go sailing (Only half of year 4 were able to access their residential last year due to Covid-19).

Platinum Award from SSP for attending all local competitions and including all children in PE and sport (only a very small number of schools have this award)

High percentage of PP children included in clubs and representing school at sport

Won Swindon girls cross country, boys second in Swindon cross country. Runners up in the Swindon schools football league. Many other tournaments cancelled due to Covid-19)

SRP represented Swindon for Boccia at South West Championships

Every child in year 6 represented the school at least three times; most greatly exceed this number (despite Covid!)

Greater range of sports clubs now available as requested by the school council: As well as the traditional sports we have offered cheerleading, dance, forest schools, archery and fencing.

Several TA staff gaining the experience of assisting at and running sports clubs alongside specialist teacher.

We were unable to ascertain the percentage of children Year 6 achieving swimming milestones during the previous year due to Covid-19. However, all Year 3 children accessed a series of 15 swimming lessons. By the end of Year 3:

48% swim competently, confidently and proficiently over a distance of at least 25 metres

30% use a range of strokes effectively and perform a safe self-rescue in different water based situations

The school did not use the Sports grant to deliver additional swimming lessons beyond Year 3.
