

Our Value for this term is:

Responsibility

Covid update

Once again, I would like to offer a huge thank you to all of you who are helping us to implement the safety measures required to keep the school open during this time. Even in the rain this morning almost everyone used the one-way system and walked the extra yards. You will be glad to hear that we are investing in some school umbrellas for the staff who stand outside!

You will have noticed that we have not sent homework books this term. This is to minimise the amount of things travelling to and from school. Please do remember to keep up the reading at home – at least 5 times a week – and most children will also have spellings to learn. Practice of number bonds and times tables is always useful if you have the time as well.

There will be no term 1 parents' consultation evening this term. Instead we are going to send home a mini report on how your child is settling into their new class. There will be a space for you to send back any comments you need to for the teacher. We know this limits the amount of face-to-face interaction between teachers and parents, so if there is something that you would like to talk to the class teacher about, please do let the office know and they will give you a ring when they are not teaching.

Please ensure that your child has either a school meal booked or a packed lunch daily. Some children seem to have both which is creating waste as our kitchen staff cater for the number of meals booked.

Due to current Covid restrictions, many of our PE lessons will be outside this term and your child will need warm clothes. Please provide your child with daps or trainers, a woolly hat, fleece (or hoodie/school jumper) and track-suit bottoms as well as the indoor kit of t shirt and shorts.
