

Foundation Stage Newsletter June 2021

Class 1 and 2

Wow! Welcome to Term 6. We cannot believe how fast this year has flown by! We have 7 weeks left and lots of fun topics to fit in. Please remember to send your child to school with sun cream already applied and a sun hat on hot days!

Phonics

We will be busy revising all the sounds we have learnt so far and focussing on reading digraphs and trigraphs in words. As we head towards being in Year One we will be working hard upon using our phonic knowledge independently in our writing.

If you are unsure of any of the sounds please ask us!

Keywords and reading

Please continue to hear your child to read at home and help them practise their keywords. It really does make a massive difference- thank you!

Our topics

This term our topics will be-

Minibeasts

Pirates

Farm animals

Holidays and Picnics

Maths

This term we will be helping the children to meet the expected level of attainment ready for their move to Year 1.

This involves them being able to:

Recall number bonds to 10.

Recognise amounts up to 5 without counting them (subitising)

Have a deep understanding of number to 10.

As always we will achieve this through practical work and in everyday contexts.

Important dates

24th and 25th June - school closed TD Days

23rd July - school finishes for the Summer holidays.

Sunflower diaries

This term we will be sending home a sunflower for your child to try to grow to be the tallest in their class. Please encourage your child to record the amount of growth each week in their diaries!

Thank you for your continued support. If you have any questions please ask!
