Covid update

The colder weather will soon be upon us and alongside seasonal colds etc, we still need to be very aware that Covid 19 is still in our community. If your child has symptoms please book a PCR test for them and inform school of the results. If your child develops symptoms whilst at school we will ask you to collect your child and take them for a PCR test. This is going to be our main defence against any spread of the virus in school, so we will be very strict about asking parents to take a child for a test even if they only have very mild symptoms. We still require parents to report a positive lateral flow test (LFT) to us and following this to book a PCR test for your child. If the PCR is positive NHS Track & Trace will take over responsibility for tracking close contacts and these people will be asked to take a PCR test.

Photo Day

Fraser Portraits will be coming into school to take individual photos on **Monday 1st November 2021.**

We will send out further information nearer the time
