

## REMINDER - TD DAY FRIDAY 25th NOVEMBER

### The Robert le Kyng Supporters

Last year the RLK Supporters signed up with a scheme which enables us to raise funds from purchases made through Amazon. As Christmas approaches, we thought it would be an ideal opportunity to remind you about it works. It is similar to other schemes and doesn't involve any additional cost to those who are purchasing. The donation to the RLK Supporters comes from an Amazon community fund. Since signing up last year, the RLK Supporters have already received several donations from the fund. If you have not done so already, it is easy to set up.

To register to donate to the RLK Supporters' fund while purchasing, follow these instructions. The order may be different depending on the device you register on.

- ◆ Access the Amazon website through [smile.amazon.co.uk](https://smile.amazon.co.uk)
- ◆ Click on 'Get started'
- ◆ Sign in to your Amazon account in the usual way (if not automatically signed in), e.g. email address and password
- ◆ Type in 'Robert Le Kyng School Supporters' to search charity and click 'select' It will ask you to tick a box to say you understand that purchases will need to be made via [smile.amazon.co.uk](https://smile.amazon.co.uk) for donations to be sent to the charity.

Each time you shop with [Smile.amazon.co.uk](https://smile.amazon.co.uk) they will automatically make a donation to the RLK Supporters' charity. You do not need to select the charity each time. If at any time you wish to donate to a different charity, click on 'Change charity' and you can search for a different charity to support.

When the RLK Supporters' fund receives the donations they will appear as completely anonymous. We receive no information about the accounts from where purchases have been made.

Please pass this information onto any family or friends who you feel would like to help the RLK Supporters in their fundraising.

Thank you

The Robert le Kyng School Supporters

A big thank you to all those who supported us in our fundraising for Children in Need last Friday. The children looked great in their spotty items and we are delighted to say that we raised an amazing **£395.53** which has already been passed on to the charity. Once again, a big thank you to you all.

## Sports News

The football season is in full swing. Our school team sit second in the league and have played some excellent football. We also sent a Year 3/4 team to a football tournament and finished runners-up, a superb performance!

In PE this term and next, we will be doing gymnastics but we will also be outside playing netball, basketball and hockey so please provide some warm clothing for PE lessons and of course for after school clubs.

## SWINDON CHRISTMAS TOY APPEAL

*Help a child in Swindon this Christmas*

Churches in Swindon are running the fifth Christmas Toy Appeal to bring a little hope and happiness to families living in desperate need.

We're asking for donations of new toys to suit ages 0-16, to be dropped off at one of our donation points, no later than Monday 06 December.

For donation points, toy ideas and our giving page, head to [gswindon.org.uk/toy-appeal](https://gswindon.org.uk/toy-appeal) or scan the QR code.

If you know of a pupil in need, please speak to Mrs Smith.

Can we please ask that if your child brings a packed lunch that they have healthy items in it. You might want to include

- a sandwich or wrap
- a piece of fruit or raw vegetable
- a yoghurt or jelly

## Covid update

If your child has Covid symptoms (ie, cough, temperature, loss or a change to taste or smell) please book a PCR test for them and inform school of the results. If they test **negative** for COVID-19 but have had a fever, they should still wait a further 24 hours post fever to come back into school. If your child is **asymptomatic** and has taken a PCR because a member of the household has tested positive, we require a daily LFT to be undertaken before arriving at school in an attempt to minimise Covid transmission between classmates and staff.

Colds and other non-Covid symptoms are circulating but in the first instance persistent coughs and high temperatures should be treated as possible COVID-19 and trigger isolation and testing.

If your child develops symptoms whilst at school we will ask you to collect your child and take them for a PCR test. This is going to be our main defence against any spread of the virus in school, so we will be very strict about asking parents to take a child for a test even if they only have very mild symptoms. We still require parents to report a positive lateral flow test (LFT) to us and following this to book a PCR test for your child.

Thank you
