

Foundation Stage Newsletter March 2022

Class 1 and 2

Welcome to Term 4! We are so happy to be back and ready to learn! Hopefully, we will be enjoying some good weather and so will be able to use our outside area for our topic and number work.

Phonics

In Phonics we will be revising our sounds learnt to date. We will be using these digraphs and trigraphs in our writing and reading. (Please see over the page for examples)

Towards the end of this term we will begin to learn alternative digraphs and trigraphs such as;

ay - may I play

ea - cup of tea

Please check in book bags for the latest sounds sheets.

Keywords!

Don't forget to help your child learn some more words in their keywords book. The children need to learn these words on sight- no sounding out!

If you cannot find the book please come and ask for another one. 😊

Our topics

This term our topics will be- Spring, Comic Relief, Dinosaurs and Easter

Please keep a look out in the windows for what we will be doing each week and anything you could send in from home to help.

Polite notice

Please could we respectfully ask that when collecting your child from school you refrain from using your phone. We feel that this is an ideal time to chat with your child about their day and share what they have been learning. We thank you for your cooperation.

Dates for your diary

Red Nose Day - Friday 18th
March

Friday 8th April school closes
for Easter holiday

School reopens Monday 25th
April

Maths

In Maths this term we will be starting to learn about doubles.

e.g. $4 + 4 = 8$

We will continue to look at the composition of numbers up to 10.

In addition to this we will also begin to look at odd and even numbers.

Writing

Please encourage your child to write at home- it can be as simple shopping list or writing simple sentences!

Reminders

Library books are changed on a Thursday.

Please make sure reading books are kept in book bags every day.

PE this term will be on a Monday and Thursday so please ensure all PE kits are in school.

Thank you for your continued support. If you have any questions please ask!
