

Foundation Stage Newsletter April 2022

Class 1 and 2

Welcome to Term 5! We hope you had a good Easter break and look forward to hearing the children's holiday news.

Phonics

The children have worked so hard learning all their sounds. We will be focussing on using all these sounds in both their reading and writing.

We will send home sounds sheets for the children to practise reading with you as we identify any gaps in their learning. Any questions please do ask!

Keywords and reading

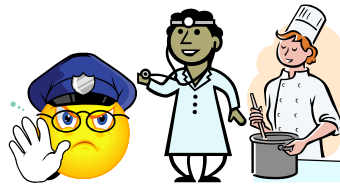

Please continue to hear your child read at home and help them practise their keywords. It really does make a massive difference- thank you!

Our topics

This term our topics will be-

People Who Help Us,
Superheroes and Journeys

Please keep a look out in the windows for what we will be doing each week and anything you could send in from home to help!

During Terms 5 and 6 we hope for nicer weather and so will spend more time outside. Please can you make sure your child brings a sun hat to school and has had sun screen applied BEFORE school. Thank you!

Maths

The children have managed to learn to subitise (counting with our eyes) an ordered arrangement of objects to 5. We will now start to focus on subitising unordered arrangements and learn when it is best to count objects or when we can use our subitising skills.

We will continue to focus on learning doubles and counting to 20 and beyond.

Upcoming events in Term 5

Wednesday 4th May visit from the fire service

Thursday 5th May visit from a PCSO

Parents evenings Tuesday 24th May and Thursday 26th May

End of term Friday 27th May

Return to school Monday 6th June - Jonathan's Jungle Roadshow visit.

Thank you for your continued support. If you have any questions please ask!
