Johnnie was only the runt of the litter, a little peppermint pig. He'd cost Mother a shilling, but somehow his great naughtiness and cleverness kept Poll and Theo cheerful, even though it was one of the most difficult years of their lives.

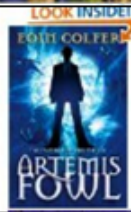

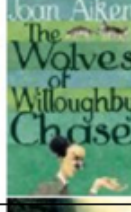

Aesop's celebrated collection of fables has always been popular with both adults and children. These simple tales embody truths so powerful that the titles of the individual fables - the fox and the grapes, the dog in the manger, the wolf in sheep's clothing and many others - have entered the languages and idioms of most European tongues.

A series of books covering the span of history from the Egyptians, Romans and Celts through to the Tudors, Georgians the Second World War. History with the gory bits left in.

When a dwarf comes into the office and leaves a package, Tim Diamond, the world's worst private dick, is faced with his toughest case yet. The office is ransacked and the package is found to contain simply a box of Maltesers. Who was the dwarf and why was he murdered shortly after his visit?

It's a world where everything seems pretty normal. But the weird, the sinister and the truly terrifying are lurking just out of sight. Like an ordinary-looking camera with evil powers, a bus ride home that turns into your worst nightmare and a mysterious computer game that nobody would play...if they knew the rules! Each story has a shocking sting in its tale...

Limpy, a slightly squashed cane toad, is struggling to get to grips with the idea that humans really hate him and his kind, and refuses to bow down to the popular cane toad "that's life" philosophy that has led to the severe flattening of far too many of his uncles. So, he decides to take things into his own hands and embarks on a journey across Australia in the hope that he can change the minds of the whole human race.
