

Reading

This week, your child will be coming home with two new books to read!

One is a phonically decodable book, which your child should be able to read fluently. The other is a library book of their choice and may need some support to read.

All reading should be recorded with a date and comment/signature from an adult in your child's yellow reading record. Don't forget that there are prizes to be won!

Please ensure that your child has their reading book and reading record in school every day.

Children are able to change their books independently when required.

Phonics

Support your child to decode

new words by reading real and alien words on these free online games:

Year 2 - Term 1 Homework Activities Class 5 & 6

Date set:

Monday 11th September 2023

Date due:

Friday 13th October 2023

Purple Mash

Each child now has their Purple Mash log in details in their reading record. As part of our topic work, we will be learning about "Happy, Healthy Me!" and have provided two activities for the children to complete online. Once logged in, click on 2Do to find the activities below:

My Face: Draw and label a picture of your face and type about what makes you happy.

Bread Roll: Design a healthy, tasty sandwich and type a list of the ingredients you would need to make it.

Mathematics

The children are beginning to learn their 10x, 2x and 5x tables.

Here are some videos for them to practise at home. Pause the videos at different times to see if they can recall the correct answers. Good luck!

Spellings

We have already been working hard to learn our new spellings in school. Each child has brought their spellings home to practise ready for their quiz every **Friday**.

If these spellings have been misplaced, you can find them on our school website or on our class noticeboards/windows. If you would prefer a hard copy, please come and collect this from your child's class teacher.
