

Reading

Keep reading your decodable books and library books this term. The more reading you do at home, the more prizes there are to be won!

Reading should be recorded with the date and a comment/signature from an adult in your child's yellow reading record.

Please ensure reading books and reading records are in school every day.

Children who are reading "coloured" books are able to change their books independently from the corridor when required.

Children reading "Big Cat Phonics" books will have their books changed on Mondays.

Spellings

Each child has brought their spellings home to practise for their quiz every **Friday**. These spellings have been specifically chosen to support your child within lessons.

If these happen to be misplaced, you can find a copy on the classroom window or alternatively, you can ask your child's teacher for a new copy.

Year 2 - Term 2 Homework Activities Class 5 & 6

Date set:

Wednesday 8th November 2023

Date due:

Friday 8th December 2023

Mathematics

Inside your child's reading record, there is a username and password to help them access **Times Table Rockstars**.

Once logged on, all children will begin practising their 10x and 2x tables to collect as many coins as they can. Here is the link below to get you logged on:

<https://ttrockstars.com>

Purple Mash

As part of our topic work, we will be learning about the town of Swindon and what is "On Our Doorstep". This is our first geography focused topic where we learn about our local area.

All children have their Purple Mash log in details in their yellow reading records to help them access their homework activities online. Once logged in, click on 2Do to find the tasks below:

Street Senses: Stand on your doorstep and think about what you can see, smell and hear. Write down your experiences in full sentences and include expanded noun phrases to add detail to your ideas.

Window: Draw a picture of what you can see from a window in your home.

Micro-habitats Pictogram: With an adult, count the minibeasts in your garden or at the park to help you create a pictogram. Which is the most and least popular bug?

UK Countries/UK Capital Cities: Match the labels to the correct areas on each map.
