

Foundation Stage Newsletter April 2025

Class 1 and 2

Welcome to Term 5! We hope you had a good Easter break and we look forward to hearing the children's holiday news.

Phonics

The children have worked so hard learning all their sounds. We will be focusing on using all these sounds in both their reading and writing.

P.E

As the weather changes this term we will be doing PE both indoors and outdoors so we would like to remind you that the children need a full kit in school at all times.

Tricky words and reading

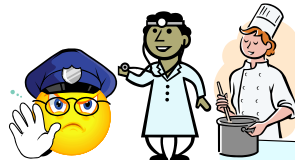

Please continue to hear your child read at home and help them practise their tricky words. It really does make a massive difference- thank you!

Our topics

This term our topics will be-

Dinosaurs, People Who Help Us and Superheroes

Please keep a look out in the windows for what we will be doing each week and anything you could send in from home to help!

During Term 5 and 6 we hope for nicer weather so will spend more time outside. Please can you make sure your child brings, wellies and sun hat to school and has had sun screen applied BEFORE school. Who knows what the weather will bring!!

Thank you!

Maths

We will continue to develop our counting skills.

We will look at different representations of 10 and find different ways to make 10.

As the weather improves we will be learning the language of capacity and using this to describe amounts.

Upcoming events in Term 5

Wednesday 7th May -
Story time for parents at 3pm

Throughout this term we will be having various visitors in to tell us about their occupations. Please look at our window posters for details.

End of term Friday 23rd May

Return to school Monday 2nd June.

Thank you for your continued support. If you have any questions please ask!
