automatic	binoculars	clinician	nastiness	outrageous	different
antiseptic	bilingual	mathematician	beautiful	occasionally	difficult
anticlockwise	biweekly	physician	filthiest	grouchiest	accidentally

Year FOUR Spellings for TERM 5

Please help your child to learn these words. Try out some of the strategies on this sheet.

Play noughts and crosses but instead of a o or a x write a spelling word.

Play catch with a friend, spelling out a word each time you catch it.

superstar

up, star, super

Choose one of your spelling and see how many other words you can spot within it.

Choose a word and spell it with a partner. Each person should take turns to say alternate letters.

cgmianai

magician

Ask a friend to scramble up one of your spellings and see if you can unscramble it and guess the correct word.

Practise writing your spellings out by using different colours over the top of each other to create a colourful word.

REMEMBER: Use a range of different strategies for learning the spelling rule!
