

Year 1 Term 5 – Maths Homework
(Set as 2-Do Activities on Purple Mash)

Term 5

Dear Parents/Carers,

The following maths activities have been set as homework on Purple Mash. The children's log-in details for Purple Mash are attached to their reading records, so they will be able to access each activity during the relevant week. As some of these activities are quick to complete, we have set 2 activities for each week. These activities are chosen to reinforce the children's understanding of the work we have recently been doing in class. If you have any questions, then please ask.

Year 1 teachers

Week	Maths Activity
Wb 13/04/26	Comparing length Taller and shorter
