

The Huddle Newsletter June 2026

Welcome Back!

We hope you all had a lovely break and the children are ready for another exciting and sunny term.

Each week we will be learning a new sign to help with our communication skills. Please look on the Huddle classroom door to see which one we are focussing on for the week.

Parking Reminder

If you drive your child to school please could we ask that you make sure to park in the **school car park** and not in Central at RLK's car park as they have a very limited number of spaces.

Reading and Library Books

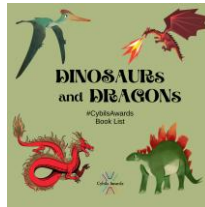

We will send reading and library books home on a **Friday** once we have practised reading them in The Huddle. Please ensure your child has their book in their bag on a **Friday**.

Trips out

We will continue to take weekly trips out to local parks and playgrounds on a Wednesday. Please check parentmail for where and when.

Within the Huddle our topic focuses will be based on different stories to help develop the children's language and understanding.

We will begin the term by learning about "**Dragons and Dinosaurs**"

Our next topic will be about the stories of **Julia Donaldson** during which we will focus upon our favourites.

We will move on to look at **Nursery Rhymes** during which we will try to expand our repertoire

We will finish the term by looking at "**Summer**"

This term we will be carrying on with **Sensology** which is developing the children's understanding of the senses. We will also be working on exploring different sensations and how they feel on different parts of the body for example hot and cold, rough and smooth, wet and dry. We aim for this to help the children develop their awareness of internal feelings and senses.
