

Foundation Stage Newsletter June 2026

Class 1 and 2

Welcome to Term 6! We hope you had a good half term break and we look forward to hearing the children's holiday news.

Phonics

The children have worked so hard learning all their sounds. We will be focusing on using all these sounds in both their reading and writing.

We will be sending home some tricky words for the children to practice reading. Remember these can only be read on sight and the children cannot sound these out using the phonic sounds they know.

e.g were

Tricky words and reading

Please continue to hear your child read at home and help them practise their tricky words. It really does make a massive difference- thank you!

Our topics

This term our topics will be-

Mini-beasts, Pirates, The Farm and Construction

Please keep a look out in the windows for what we will be doing each week and anything you could send in from home to help!

During Term 6 we will be spending time practicing for sports day so it is vital the children have a PE kit in school. This needs to include: shorts, t-shirt and trainers or daps.

During Term 6 we hope for nicer weather so will spend more time outside. Please can you make sure your child brings a sun hat to school and has had sun screen applied BEFORE school. Thank you!

Maths

We will continue to develop our counting skills. We will look at different ways to make 10 and the patterns within the numbers to 100. As the weather improves we will be learning the language of capacity and using this to describe amounts.

Upcoming

Monday 8th June - Jonathan's Jungle Roadshow

Friday 19th June - Reading Breakfast
