Year 1 Term 2 – Maths Homework

(Set as 2-Do Activities on Purple Mash)

Term 2

Dear Parents/Carers,

The following maths activities have been set as homework on Purple Mash. The children's log-in details for Purple Mash are attached to their reading records, so they will be able to access each activity during the relevant week. As some of these activities are quick to complete, we will sometimes set 2 activities for the week. The activities are chosen to reinforce the children's understanding of work we have covered during our maths work in school. The class teachers will demonstrate each activity at the beginning of week it is set. If you have any questions, then please ask.

Year 1 teachers

Week	**Maths Activity**
w.b. 9th November	Counting in 10s
